Strengths:

Areas of growth:

Committee Chair/ Research Advisor: _____
Signature *Date*

Committee Chair/ Research Advisor: _____
Signature *Date*

1.2. Scholarly Communication & Professionalization: assess your growth in those areas and what has contributed to it; what improvements and new developments are you planning?

1.3. Teaching & Pedagogy

Please assess your performance overall in the following areas, based on your teaching evaluations and evaluations by the supervisors of your teaching; report ratings for questions A/B.

Teaching Performance	Excellent	Very Good	Good		Needs Improvement	Comments
Course #1:						
Course #2:						
Course #3:						

Course as Associate						
Strengths						
Areas of growth						

In your teaching and pedagogical activities, assess what you have learned and what has contributed to your learning:

2. Definition of Goals for 2021-22:

What are your goals for next year, regarding seminars, qualifying examinations, pre-dissertation research, stated learning outcomes for our doctoral program, and progress to degree:

Seminars and Practicum to be taken in Fall 2021: you need 12 units minimum, and except for quarters when you are preparing and taking an examination, you need to take two seminars for a letter grade until you advance to candidacy.

Summary of Progress information: # of field examinations completed, work on prospectus, etc.

Please attach your updated plan of study and curriculum vitae with your submission of this form. You may ask for the previous plan of study from our current GPA (Tyler McMullen).
